

ERASMUS+ Project ideas:

1. Refugees:
 - a. Bridging intercultural differences and supporting welcoming culture (AE)
 - i. Intercultural ViaVia Cafes
 - ii. Music and Culture as connectors (Wim Kratzborn; actually there were a lot of persons interested in this)
 - b. Training for volunteers and NGOs to solve (intercultural) issues of incoming refugees (Charikleia Manavi)
 - c. Competence validation (Brigitte Bosche, Tim Scholze)
 - i. ProfilPASS as competence balance system for incoming refugees
 - ii. ProfilPASS and LEVEL5 in first basic integration „courses“ (informal learning offers) for refugees in Europe (combination of med partners (IT, GR, ES), Austria, Germany and Sweden)
 - iii. Validating social, personal and professional competences connecting ProfilPASS and EQF as initial integration measures.
2. Museum Education (Badges) Adult Education (Guy Tilkin)
Introducing a quality and competence oriented
3. Quality System for European adult education courses; (Guy Tilkin, Tim Scholze)
4. Local community development and Competence development (Colin Keyse)
Here, ProfilPASS and LEVEL5 can also be easily integrated
5. Go2Learn (Bob Elsen, Natahalie Bekx)
Knowledge Alliance on intercultural competence development and CSR at the interface between Higher Education and Business; to be coordinated from Belgium (preferably University of Leuven). Universities and practic partners warmly welcome.
6. Time4yourTalents
Innovative learning format for employees 50+ to discover their talents and apply them in new professional environments. Based on the project in BE by Nathalie Bekx.
